

**Complete Selection**

Why spend weeks contacting various service providers and wholesalers that offer a limited number of products at high prices? As a world-wide smartphone distributor, we offer the most complete product list available. And if we don't have it, we'll find it just for you.

**Newest Models**

You can't wait 6 months for the Asia release of a cutting edge product! We'll deliver it right to your door.

**Price Match Guarantee**

We guarantee that we have the lowest prices. If you receive a lower offer from any carrier, retailer, systems integrator, or smartphone reseller, we will match their price and beat it by 1%. That is our pledge to you. Terms and conditions apply.

**Knowledgeable Staff**

Are you tired of dealing with sales reps and companies that don't know the different between GSM, HSPDA, and WCDMA? Or insist that there are no phones that meet your requirements? We pride ourselves on our knowledge and expertise in smartphone devices.

**Post Sale Support**

It happens. **WE'RE HERE.**

**Custom Solutions**

Have you built a custom application that only runs a specific version of Windows Mobile? Do you have 100 issued handsets that all need to be updated to the latest version of Android, but not enough staff to do it? We do it all.

**Warranty Support**

All our handsets come with a 1 year limited warranty with optional accidental damage insurance.

**Trade-In Program**

Did you know that your old handsets are worth money? Don't throw that money away! Enquire about our Trade-In Program

**Recycle Program**

Sell your handsets to us. No purchase necessary.

**Upgrade Program** - Get an additional discount on your purchase when you trade-in old handsets.

**Upgrade Plus Program** - The maximum discount level. Applied when you trade-in old Red Hare handsets for new ones.

**Enquire about our Prototype Models**

Get a head start on your competition. Enquire about our highly exclusive Prototype models.
